COMMODITY AND STOCK MARKET A SECRET LOVE STORY

CHEAT SHEET

**THINGS
THAT 90%
TRADERS
DON'T
KNOW**

O.R.NIRMAL

There is a secret love story between commodities and stocks which in many cases is Not noticed apart from Metal and Sugar stocks there are a lot more apart from this which is shown using a simple infographic

A cheat sheet or ebook provides the relationship between the Commodity and Stocks. The cheat sheet clearly depicts how a change in the price of the commodity has an impact on stock price movement

A person can use this cheat sheet and can predict the short term movement or long term movement of a stock price with respect to change in commodity price and other factors

Apart from commodity the impact of the dollar and other banking factors also discussed in the Cheat Sheet
